

# LIGHTBREAKER – ROSÉ

*Beauty and the Beast.*

The Pinot Noir takes over in this blended rosé, but the Chardonnay is not far behind. Nicely spiced and fleshy, this is a rosé you'll talk about at the table. One blend, 100% personality.

**Aromas:** *black fruits & spices*

The first taste provides grenadine and strawberry, which develops into more savage tastes. The ending is one of leather & spicy aromas.

**Flavours:** *fleshy & of great breed*

The Pinot Noir takes control from the start to finish. The wine is fleshy, powerful & of great breed. The Chardonnay brings a touch of freshness and tension helping the pinot noir express its taste.

**Wine & food pairing:**

*to accompany your meal and desert, to accompany local produce*
